

YEAR 5 NEWSLETTER

English

We have started the term by practising our letter formation and handwriting. We are working on our grammar skills and learning about different types of nouns, verbs and pronouns. We are reading 'The Boy at the back of the Class' by Onjali Q Rauf.

Maths

This term, we will be learning about Place Value, Addition and Subtraction, Multiplication, revising our Times Tables. We are developing our reasoning and problem-solving skills by explaining our thinking when solving challenges.

Science

We are learning about the Earth, Sun and Moon and exploring the planets in our Solar System. We will find out how the Earth's movement causes day and night and why we have seasons.

We are learning about different forces, including gravity, friction and air resistance. We will investigate how magnets work, which materials they attract and how magnetic forces work.

History

We are learning about why the Anglo-Saxons came to Britain after the Romans left and how they settled in different parts of the country.

Also, what life was like for the Anglo-Saxons, including their homes, jobs, beliefs, villages and society. We will also explore the impact they had on Britain.

Reminders and notices

PE is on Tuesday and Thursday.

Homework is set on Thursday and will be due back on Tuesday.

Reading diary expectations are for at least 3 detailed comments once a week on Dojo.
